

SOUND LIBRARY / VIRTUAL INSTRUMENT LICENSE AGREEMENT (EULA)

This End User License Agreement (“Agreement”) is a legal contract between you (“User”) and the Licensor (“Licensor”) for the use of this sound library and/or virtual instrument (“Product”). By downloading, installing, copying, or using the Product, you agree to the terms below.

1) License Grant

Licensor grants you a non-exclusive, non-transferable, revocable license to use the Product to create music and audio productions, subject to the limitations in this Agreement.

2) Permitted Uses

You may use the Product for personal and commercial projects, including but not limited to:

- Songs, beats, films, games, trailers, podcasts, advertisements, and other audio-visual productions
- Streaming, broadcasting, live performances, and public playback
- Creating and selling original music, compositions, and productions that include the sounds from the Product
- Creating and selling original loops, samples, and audio content **only if** they are part of a larger original musical or production work and not intended as a substitute for the Product itself

3) Prohibited Uses (No Redistribution / No Resale of the Library)

You may NOT, under any circumstances:

- Re-sell, share, distribute, copy, upload, publish, or transfer the Product (in whole or in part) to any third party
- Redistribute the Product in any format, including SFZ, WAV/AIFF/FLAC, Kontakt, EXS24, Soundfont, Decent Sampler, Soundbox, sampler instruments, or any other converted or repackaged form
- Include the Product in any “sample pack”, “sound library”, “loop pack”, “preset pack”, “soundset”, “ROMpler”, marketplace bundle, subscription library, or similar distribution
- Use the Product to create a competing library, instrument, or sound set
- Share the Product via file-sharing services, torrents, piracy sites, public repositories, or “free download” pages
- Use the Product in any way that allows extraction of the raw samples or files by another user

4) You Own Your Music — Not the Raw Samples

You retain full rights to your original musical works created using the Product.

However, the Product itself (including all samples, mappings, SFZ/instrument files, presets, and related

content) remains the exclusive property of the Licensor and is protected by copyright and other intellectual property laws.

5) Single User License

This license is granted to a single user. You may install and use the Product on multiple computers you own or control, provided you are the only person using it.

If you want multiple users (studio, team, school, company), additional licenses are required.

6) Backups

You may create a reasonable number of backup copies for personal archival purposes, as long as they are not shared or made accessible to others.

7) No Warranty

The Product is provided “AS IS”, without warranties of any kind, express or implied, including fitness for a particular purpose, merchantability, or non-infringement. You assume all risk associated with its use.

8) Limitation of Liability

To the maximum extent permitted by law, the Licensor shall not be liable for any damages arising from the use or inability to use the Product, including lost profits, lost data, business interruption, or any indirect or consequential damages.

9) Termination

This Agreement is effective until terminated. Licensor may terminate this Agreement immediately if you violate any term. Upon termination, you must stop using the Product and delete all copies in your possession or control.

10) Governing Law

This Agreement shall be governed by the laws of the Licensor’s jurisdiction, without regard to conflict of law principles.
